How To:

Install Mobile Apps

Installing on Android

- 1. Go to your browser (Chrome, Firefox, etc.)
- 2. In the address bar, type in the app's URL (field.plantx.net)
- 3. For this example we will use Chrome. On other browsers, it may be different. But the process usually remains the same.
- 4. Go to the menu (3 vertical dots)

- - 6. You will then be prompted to Install the app.
 - 7. Press Install and the app will now appear on your device.

5. Then select the "Add to Home screen" option from the list.

Installing on iOS

- 1. Go to Safari. (It must be Safari)
- 2. In the address bar, type in the app's URL (field.plantx.net)
- 3. Tap the Share icon in the toolbar at the bottom of the screen.
- 4. In the share menu, find the "Add to Home screen" option
- 5. Tap add and the app will now appear on your device.
